

GOLF - DISCOUNTS

Portugal, and in particular, the Algarve, is renowned for its great number and wide choice of championship golf courses dotted along the coastline. We offer a good range of discounts (up to 40%) on just about all of them, as indicated below. We offer a pre-booking service and will confirm courses and tee-offs for you, subject to availability. Handicap certificates are generally required, with the exception of a couple of courses. The courses require the wearing of soft spikes and appropriate clothing.
